Dear Mr Lakshmanswamy Iyer

You might remember that the last payment made to me on account of the loan was 35000 Rs and you promised that the balance of the amount would all be paid "very shortly" as there was some difficulty about selling the Govt paper then. As I am pressed very much now by creditors for payment I hope you will have the balance placed to my account in the Bank today if possible. You see I have already lost something like 6000 Rs for certain articles I have had on account of this putting off

payment to me, [illegible] Rs and I do not
know how to meet this additional
interest unless I add it to the balan
of the amount still due to me
The account is as follows:—

receipts

Rs 10,000 1st instalment
Rs 16,000 2nd do
Rs 40,000 Paid to A Narayanaswamy Mudaliar
Rs 35,000 3rd instalment

Total 101,000

35 000
136 1
Amount of loan
as per bill given on December 1899
Rs 159,003-13-9

Deduct amount received 101,000
Balance still due Rs 58,003-13-

Add interest for
12 months at 12% 6960-0-

Total Rs 64,963-13-
35 000

I have added Rs 6960 for interest for 12 months on Rs 58003 at the rate I have to pay the same to creditors since December 1899 when the last loan was first given.

My Palace pay of Rs 1500 has been stopped from October. So the proportion of monthly expenditure for October November & December 1900 should be paid home. This will be 1/4th of Rs 20000 as per list of monthly expenditure approved by Her Highness viz 5000 Rs. Kindly have this amount also placed in the Bank today & oblige

Yours sincerely
J Seshadri
